DETAILED ACTION

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with George S. Bardmesser on 02.19.2008.

Claim 19, now depends from claim 18.

Claim 20, now depends from claim 19.

Claim 21, now depends from claim 18.

Response to Amendment

The amendment filed 09/04/2007 was entered.

The declaration under 37 CFR 1.132 filed 09/04/2007 is sufficient to overcome the rejection of claim 9 based upon Allemand et al. (US Patent 4,461,952).

Response to Arguments

Applicant's arguments, see REMARKS, filed 09/04/2007, with respect to claims 9, 17, 18 and 26 have been fully considered and are persuasive. The previous rejections have been withdrawn.

Allowable Subject Matter

Claims 9 – 15 and 17 – 27 are allowed.

The following is an examiner's statement of reasons for allowance:

With regards to claims 9, 17, 18 and 26, the prior art on record fails to expressly disclose or render obvious a portable watch comprising a Geiger-Muller counter, a microcontroller for calculating a radiation dose rate, a voltage converter, and a pulse former, in combination with the rest of the claimed limitations. As such, applicants disclosure is a novel and nonobviousness improvement over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Djura Malevic whose telephone number is 571.272.5975. The examiner can normally be reached on Monday - Friday between 8:30am and 4:00pm.
